

Which is the Best Deal on Candy?

We're shopping for Halloween candy and there are so many choices of mixed bags of candy.

1. Which deal on large bags of candy is the best deal? Which is the worst deal? How do you know? Can you find more than one way to determine this?

Product	Cost	Pieces
M&M's, Twix and more	\$14.99	135
Starbursts, Skittles, Snickers	\$14.99	157
Runts, Gobstoppers, Baby Ruth	\$6.99	90
Life Savers, Yummies, Skittles	\$9.95	95
Snickers	\$6.99	50
Almond Joy, Whoppers, Kit Kats	\$14.24	150

2. Make up your own mixed bag of candy. What candies will you use in your mix? Create your number of pieces and cost, so that the cost per piece is comparable in price to the mixed bags in the table.
